

## **2024 Price Structure Memorial Service**

*In the aftermath of losing a loved one, it's important to both reflect on their life and celebrate the path they've taken. This belief is at the heart of what a **celebration memorial service** aims to achieve—a moment to honour, rejoice in, and cherish the memories, milestones, and accomplishments of someone deeply significant to you.*

With over 15 years of experience, I bring both skill and compassion as a celebrant to support you and your family during this time. My goal is to help you orchestrate a celebration memorial service that perfectly mirrors the essence and spirit of your loved one. My comprehensive service offerings are meticulously designed to ensure a tribute that is both fitting and memorable, including:

- Tailoring the service's structure to aptly reflect your desires and the unique personality of the departed.
- Selecting uplifting music and providing a high-quality sound system to set the tone for a celebratory atmosphere. Microphone also supplied.
- Choosing readings and poems that resonate with the joy and love your loved one brought into the world.
- Integrating meaningful rituals and symbols that embody the life and legacy of the departed.
- Crafting and delivering eulogies that capture the heart and soul of their story with warmth and affection.
- Overseeing the ceremony to ensure every detail contributes to a seamless and uplifting experience for your family.
- Offering personalised consultations in the comfort of your home, or another place of your choosing, to discuss and plan every aspect of the service.
- Providing guidance and support through every step of the process, ensuring you feel supported and connected.
- Additionally, I now offer services to arrange floral tributes.

Let me help you craft a celebration memorial service that not only commemorates the incredible journey of your loved one but also offers solace and joy in the celebration of their life.

### **FEE STRUCTURE**

Monday – Friday            from \$700
